ENVIRONMENTAL SCIENCES- (CHY1002)
Winter Semester – 2021
Prof. V. Sai Saraswathi,
Environmental Science Professor, VIT University
F1+TF1 slot/ Class Nbr- VL2020210505043
International Batch

Activity- 1

Topic: “Adopt A Tree”– 10 Marks

Instructions:

- Select the indigenous tree sapling.
- Select the place for planting.
- Plant the tree sapling.
- Take photos while planting & standing photo with the tree sapling.
- Save the Geolocation with the photo.
- Those who don't have space at home, talk to the urban/rural panchayat administration & plant the tree saplings in the park/street side/common public areas.
- World International Forest Day- will highlight this activity for climate change action.

Prepare the document which contains photographic evidences (All Photos) & your experience about this activity. Convert into PDF & upload in VTOP.
